3M™ DI-NOC™ Architectural Finishes

Showcase your surfaces with transformative finishes.

With more than 800 patterns to choose from,
it's easy to upgrade your space.

Discover the DI-NOC™ brand difference.

▲ Technology is layered in.

1. Clear protective overlayer
2. Pattern layer
3. Colour layer
4. Adhesive
5. Liner

DI-NOC™ brand provided in roll format.

Unlike anything else.

Why replace expensive fixtures and surfaces when you can resurface them in decorative metal, sophisticated stone and luxurious wood designs at a fraction of the cost? 3M™ DI-NOC™ Architectural Finishes let you transform your spaces with less downtime, less labour and less waste. These durable, dynamic films are easy to install, conforming to a variety of flat or curved surfaces, including walls, panels and ceilings. With more than 800 patterns to choose from, it's not a question of how you can revitalize your image, but when.

Apply to virtually any surface.

Easy to Install	▲				▲	▲
Easy to Repair	▲				▲	

Easier to Repair

Damaged film can be easily repaired.

Less Noise

In many cases, installation can be completed without power equipment and other distractions.

Less Mess

No demolition and minimal equipment required.

Cost Savings

Projects using DI-NOC™ can significantly reduce cost compared to traditional remodelling.

Faster to Install

Minimal preparation is required for fast product application.

Resurfacing Matters

Projects utilizing 3M™ DI-NOC™ Architectural Finishes may qualify for LEED certification credits.

Repair and patch. DI-NOC™ brand repairs are easy to complete and virtually invisible at normal viewing distances.

Rethink the possibilities.

Transforming your existing surfaces is within reach when you use 3M™ DI-NOC™ Architectural Finishes. Do it faster. Do it for less. Do it today.

Transform your brand at 3M.com/AMD.

3M Endorsed
Installer
